

THE WONDERFUL WORLD OF ELECTRICAL SERVICE

Hi, I'm an electrician! I have the best job because I use electricity to light and power your home.

Electricity makes many things possible.

**Electricity is an amazing invention!
It makes life easier and safer.
Before electricity people used to....**

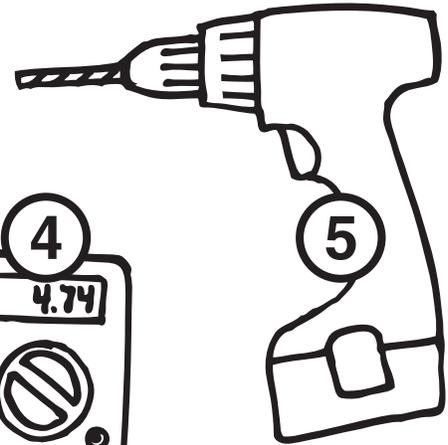

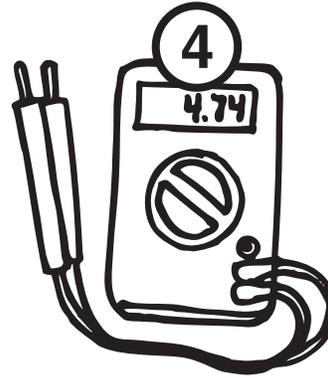

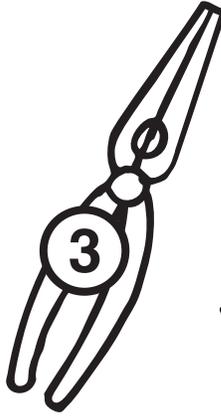

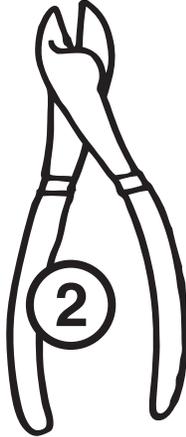

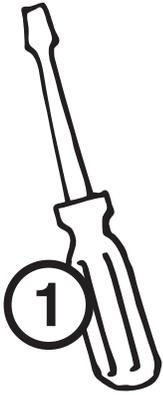

**...use candles to
light their homes.**

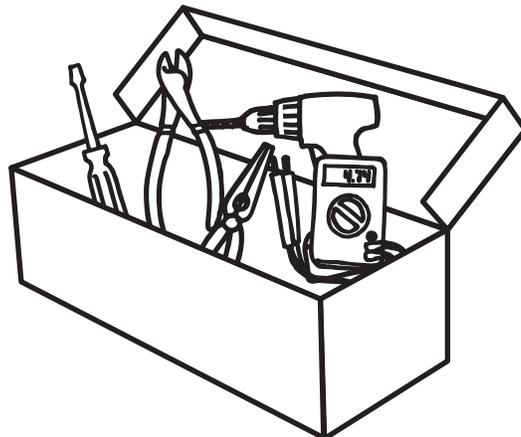

**...build fires in their stoves to
cook their meals and heat
their homes.**

I use lots of cool tools to get the job done.
Let's look in my toolbox.

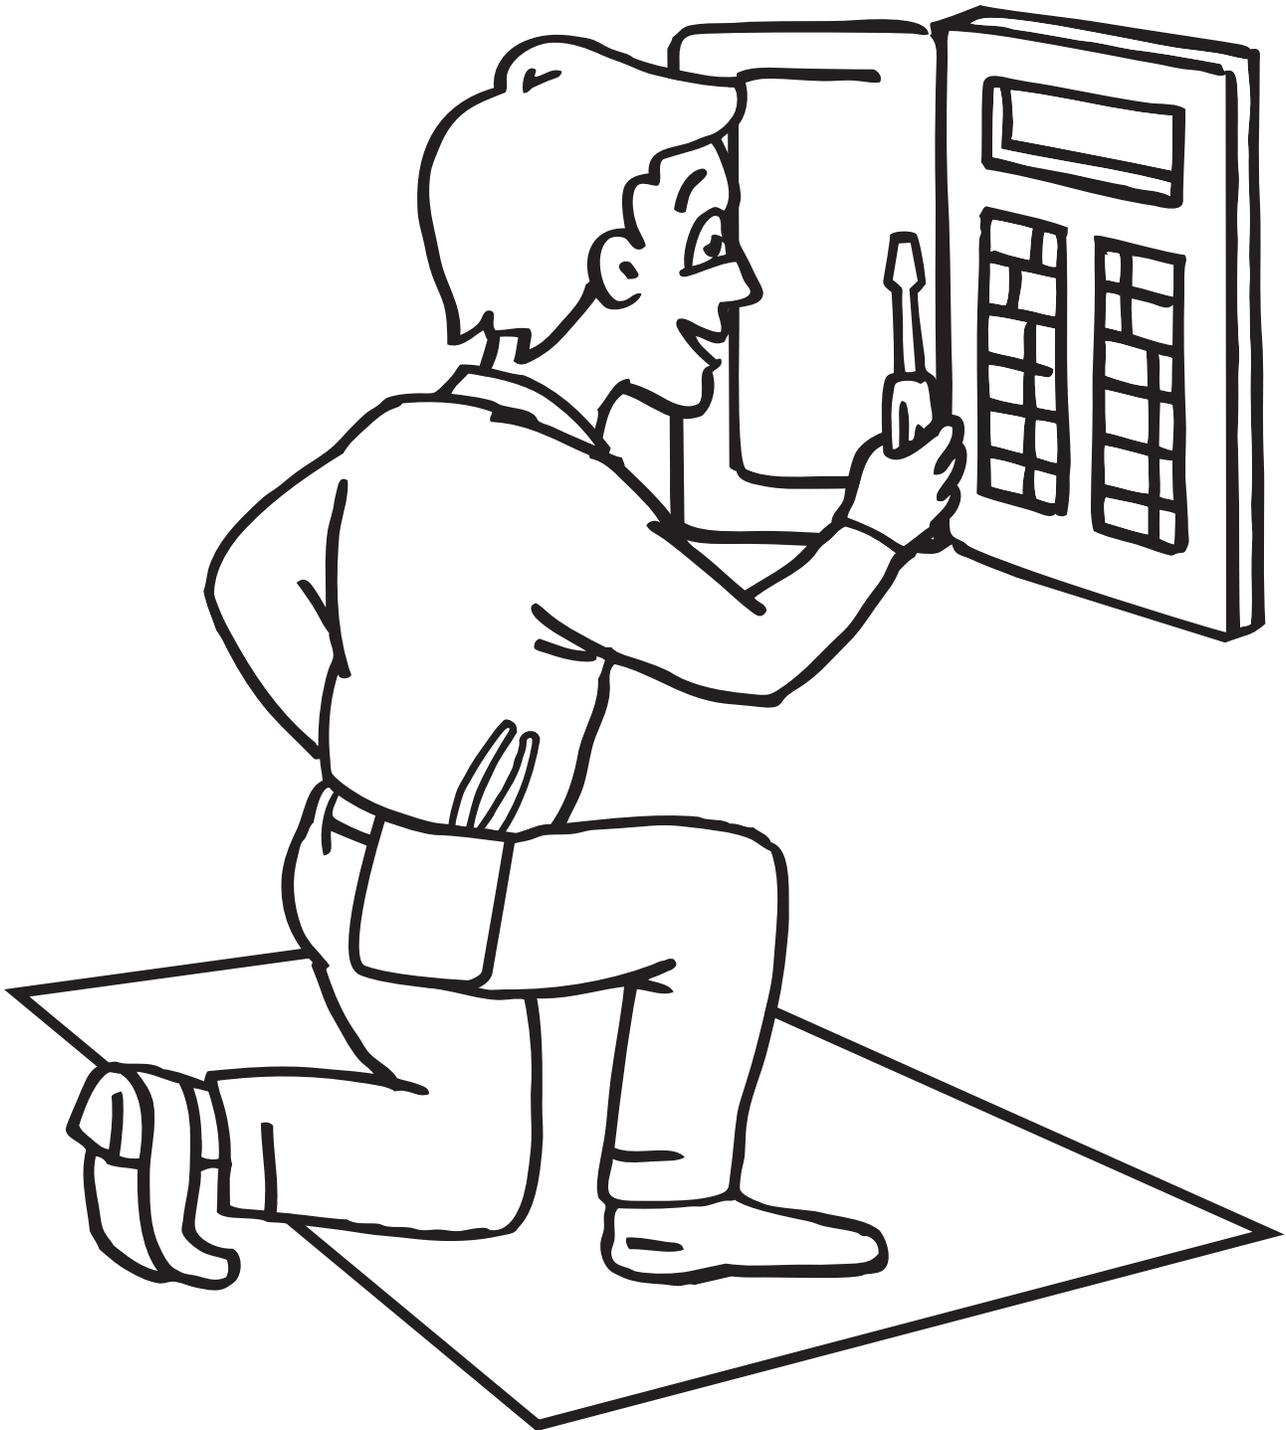

Unscramble the words below:

1. srrceedwivr _____
2. wrei ctuter _____
3. nedele sone plries _____
4. rmtee _____
5. rliidl _____

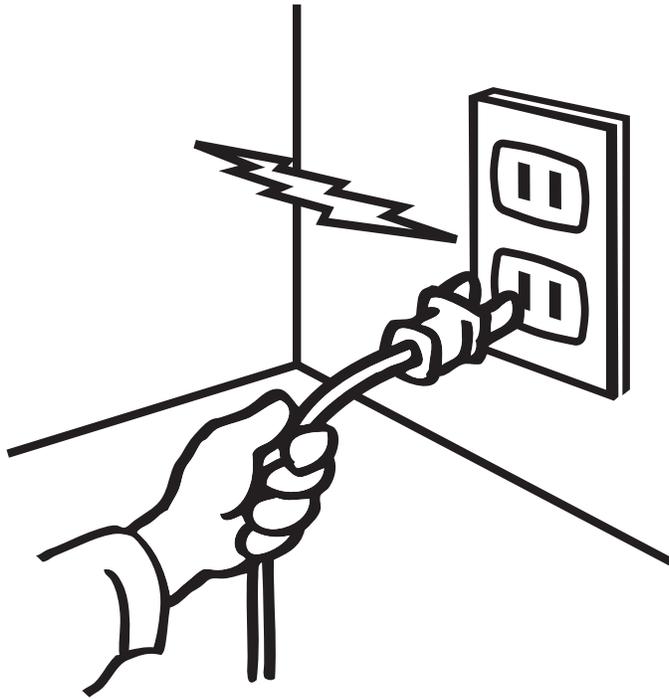

1. screwdriver 2. wire cutter 3. needle nose pliers 4. meter 5. drill

**My most important job is to make homes safe.
I also think it's important to teach everyone
about electrical safety.**

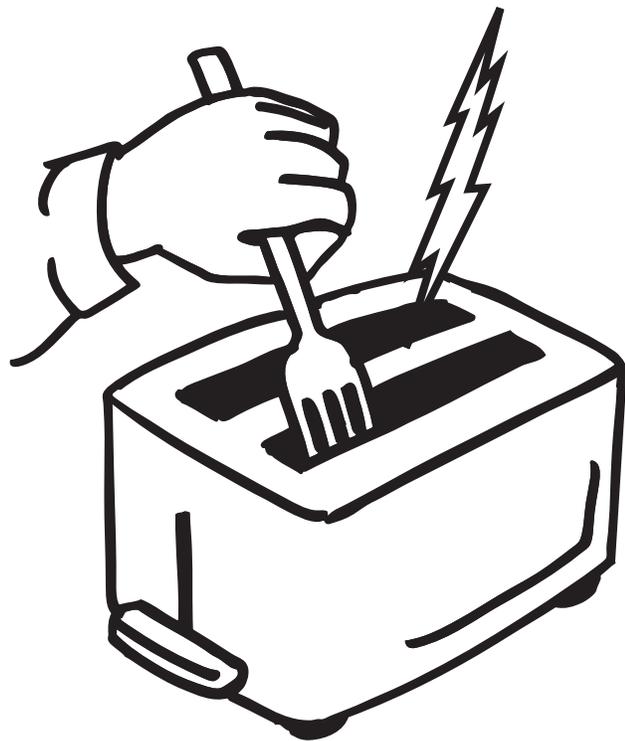

Electricity can be dangerous. Here are some things you can do to be safe.

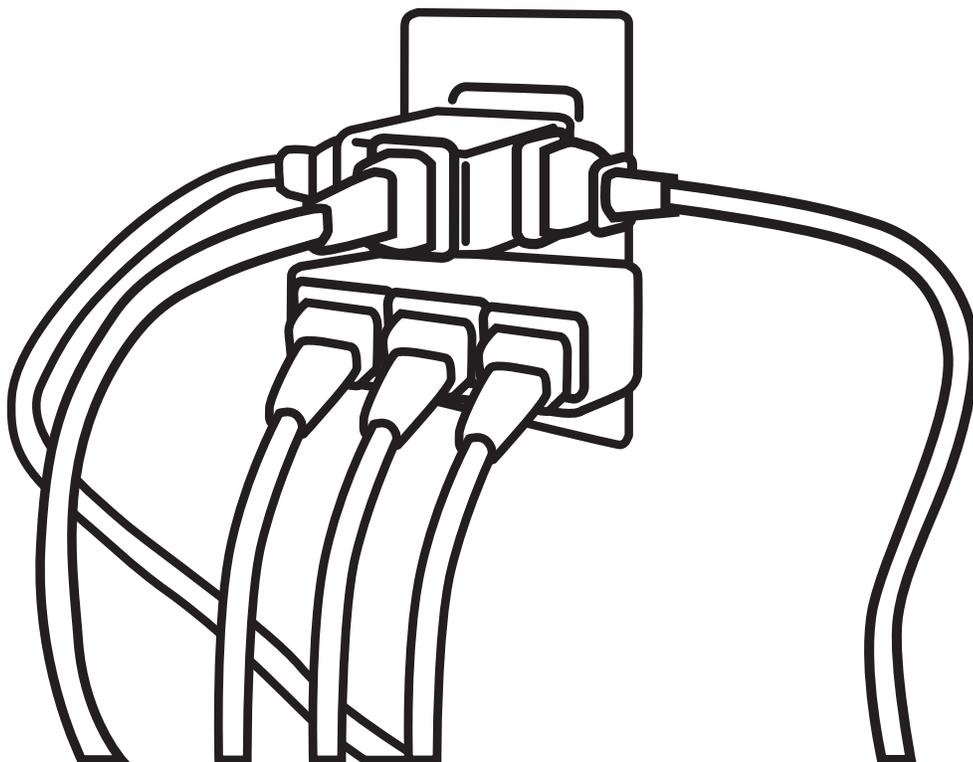

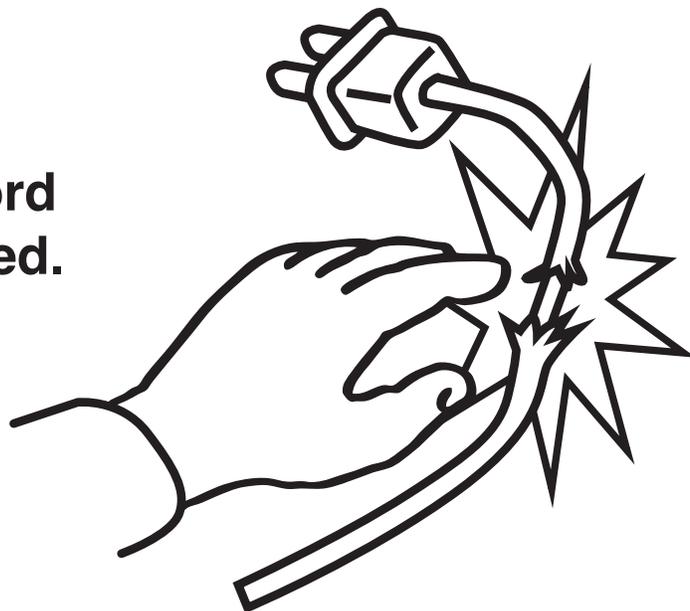

DO NOT unplug anything by pulling the cord.

NEVER stick anything into an appliance.

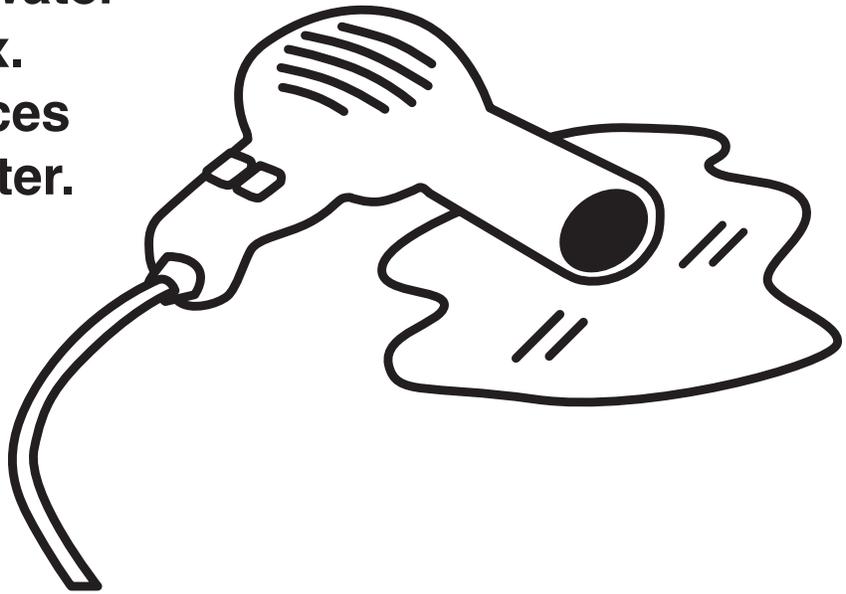

**DO NOT touch a cord
that is worn or frayed.**

NEVER overload a socket.

**Electricity and water
DO NOT mix.
Keep appliances
away from water.**

**NEVER place objects
in electrical outlets.
An adult can put
safety covers over
unused outlets.**

**It is important to conserve energy!
For example, turn off the lights when
you leave a room.**

Find the words in the puzzle below. They may be vertical, horizontal, diagonal or backwards.
