

August News and Specials From Randy's Electric

The State Fair Is Here!

And that means your schedule will be busier than ever as summer winds down and you get ready for back to school and fall.

Now is a good time to take a look around your home for needed electric repairs and upgrades. From new entry lighting, adding convenient outlets and switches, to service panel upgrades, electrical safety inspection, carbon monoxide and smoke detectors . . . now is the perfect time to get those electrical projects off your to do list.

Call Randy's Electric. We'll schedule an appointment that's convenient for you and most repairs can be made in one day. All work and your complete satisfaction are guaranteed 100%!

8 Things To Know Before Electrical Panel Installation

Electrical panel installation plays a central role in the functionality and comfort of your home. In fact, you should consider it the heart of your home's electrical system. Your electrical panel is the distribution center that takes the power current that flows from your utility provider and distributes that power throughout your home.

Electric Car Charging Stations: Everything You

Could Want to Know

Several years ago, electric vehicles were novelties, expensive vehicles that were far outside the mainstream. They helped to bring hybrid cars into the mainstream, but electric car charging stations and power outlets are becoming much more popular. An electric car is unique in that it doesn't depend on gas to travel significant distances. It does, however, need a power source and electricity. Just plug your car in like you would plug in a cell phone. Let it charge, unplug and go when it's done. In theory, it is that easy, but the way the electric car outlet works and how it charges a car is a little more complicated.

Have Electrical Questions?

Join Us every Tuesday for [LIVE @ 9:05!](#)

You have electrical questions and we have the answers. Join us every Tuesday morning at 9:05 on [Facebook](#) for live answers to all your electrical questions.

Minnesota State Fair Fun Facts

People of all ages and from all parts of the state will descend on the fairgrounds for hours of fun, food and entertainment. Even though it symbolizes the end of summer, people love the

State Fair. We thought you might find these facts interesting.

Theodore "Teddy" Roosevelt delivered the famous "[Speak Softly and Carry a Big Stick](#)" speech at the Minnesota State Fair in 1901.

Nearly half a million sticks will be used for pronto pups and corn dogs, 145 tons of potatoes to make French fries, 2.6 million cheese curds and 4 million mini donuts.

The [Minnesota State Fair](#) has been held in its present location since 1885.

[Dan Patch](#) Avenue on the Fairgrounds is named after race horse, Dan Patch, who set numerous records at the Minnesota State Fair. In fact, the horse's achievements made him a sports celebrity and at the height of his fame between 1900 and 1909, and earned his owner, Marion Savage, more than \$1 million a year. It turns out that Marion Savage and Dan Patch died within thirty-one hours of each other, in July 1916. Marion Savage died at age 57 due to a heart attack just after Dan had died.

In 2000 [Christina Aguilera](#) sold 22,117 tickets, breaking the all-time record for the most tickets sold to a single Grandstand show.

In case you were wondering, 22,000 rolls of [toilet paper](#) will be used.
