

July News and Specials From Randy's Electric

"And, you told me this nine dollar thingamabob was all the protection we needed!"

Think of all the things in your home that are plugged into outlets. One thing they hate are power surges. If you experience a power surge is your expensive stuff fully protected? Probably not.

[Whole house surge protection](#) safeguards your home and fragile electronics as it allows in only the electricity your home needs. When a sudden surge happens, the device detects it and safely diverts excess current through your home's grounding path.

Keep anything plugged into a power source from becoming an electrical "UH-OHHH", have the pros at Randy's Electric install a whole house surge protection system . . . an investment well worth the cost.

Randy's Electric and the ALS Association – Raising Funds After the Ice Bucket Challenge

The [ALS Association](#) is an American nonprofit organization that raises money for research and patient services, promotes awareness about and advocates in state and federal government on issues related to [amyotrophic lateral sclerosis](#) (ALS), also known as Lou Gehrig's disease.

This cause is very near and dear to the family at Randy's Electric. In 2000, Tina's (co-owner of Randy's Electric) sister, Dee Dee, passed away from a form of ALS, or Lou Gehrig's disease. After Dee Dee's diagnosis, it was discovered that other family members may have also suffered from the disease. This link has inspired the family to continually fundraise for the ALS Association and form a walking team that has been going strong for over fifteen years.

The "Ice Bucket Challenge" took the internet by storm and raised over \$115 million dollars for the cause. Because of these donations, researchers were able to [discover a gene](#) that is tied to ALS. This is amazing, but only the beginning of a long road to find a cure. Please join us in supporting the effort by joining the Twin Cities Walk on September 16, 2017. If you would like to learn more or join our team, please visit the [registration site](#). Team name: DLJ (Dee Dee's Laughter and Joy).

Would you like to donate to the ALS Association? July is the PERFECT time to do it, as Randy's Electric is matching funds (up to \$4,000). Please call Customer Care at 763-560-5600 to donate today. We are ready to take your call!
